Each Sunday after the service the Prayer Team will go to the Prayer Room and be available to pray for or with anyone who would be wanting prayer. Each Prayer Team will have a month they are responsible for. (If you can't make one of your weeks just be sure to have someone cover for you.)

Pastor Randy will try to remember to make an announcement that there will be someone to pray with in the Prayer Room. After a few minutes if there is no one who comes for prayer, just pray together.

Guidelines for Pray-ers

1. Be confident that God is with you. What you lack in yourself He is able to supply. **YOU ARE QUALIFIED TO PRAY.**
2. Get the necessary facts of the person's request. Limit the discussion to the prayer "need." Pleasant conversation, life histories, and tangential conversation should be kept to a minimum (others may be waiting). Encourage socializing, but outside the prayer room.
3. If it becomes obvious that the person has needs that cannot be addressed through prayer alone, encourage him or her to make an appointment with the pastor. Do not feel that you must "solve" the problem.
4. Let the Holy Spirit help you pray. You may find yourself praying something other than what you first had in mind. As you pray, let the Spirit direct you to the person's true needs.
5. Don't look for magic ways or methods of dealing with others. All Christ asks is expectant faith in his ability. We merely place one hand in God's and the other in the person's for whom we are praying. We act, as it were, as assistants, helping others "make the connection" with God.
6. Make sure people know you are there, ready to help. Most importantly make sure those who have come for prayer leave knowing they are loved and valued by the Lord and by His people.
