

God has so richly blessed us here in the EMC family. He has blessed us with resources and opportunity. We are blessed to be a part of several ministries around the world. EMC supports a number of missionaries and organizations through prayer and giving. You can find highlights from their letters in the monthly Missions updates you receive in your bulletin. To help you keep them in your prayers, here is a list of the missionaries and organizations for you keep for reference. Websites have been listed for most of them so that you can research the missions and get more info.
